 Figure 8 Waltz

This pattern is a figure 8 with each circle slightly flattened so the entire ring is used.

Give your dog time and space to change leads as you move from one circle to the next.

Start with either circle.

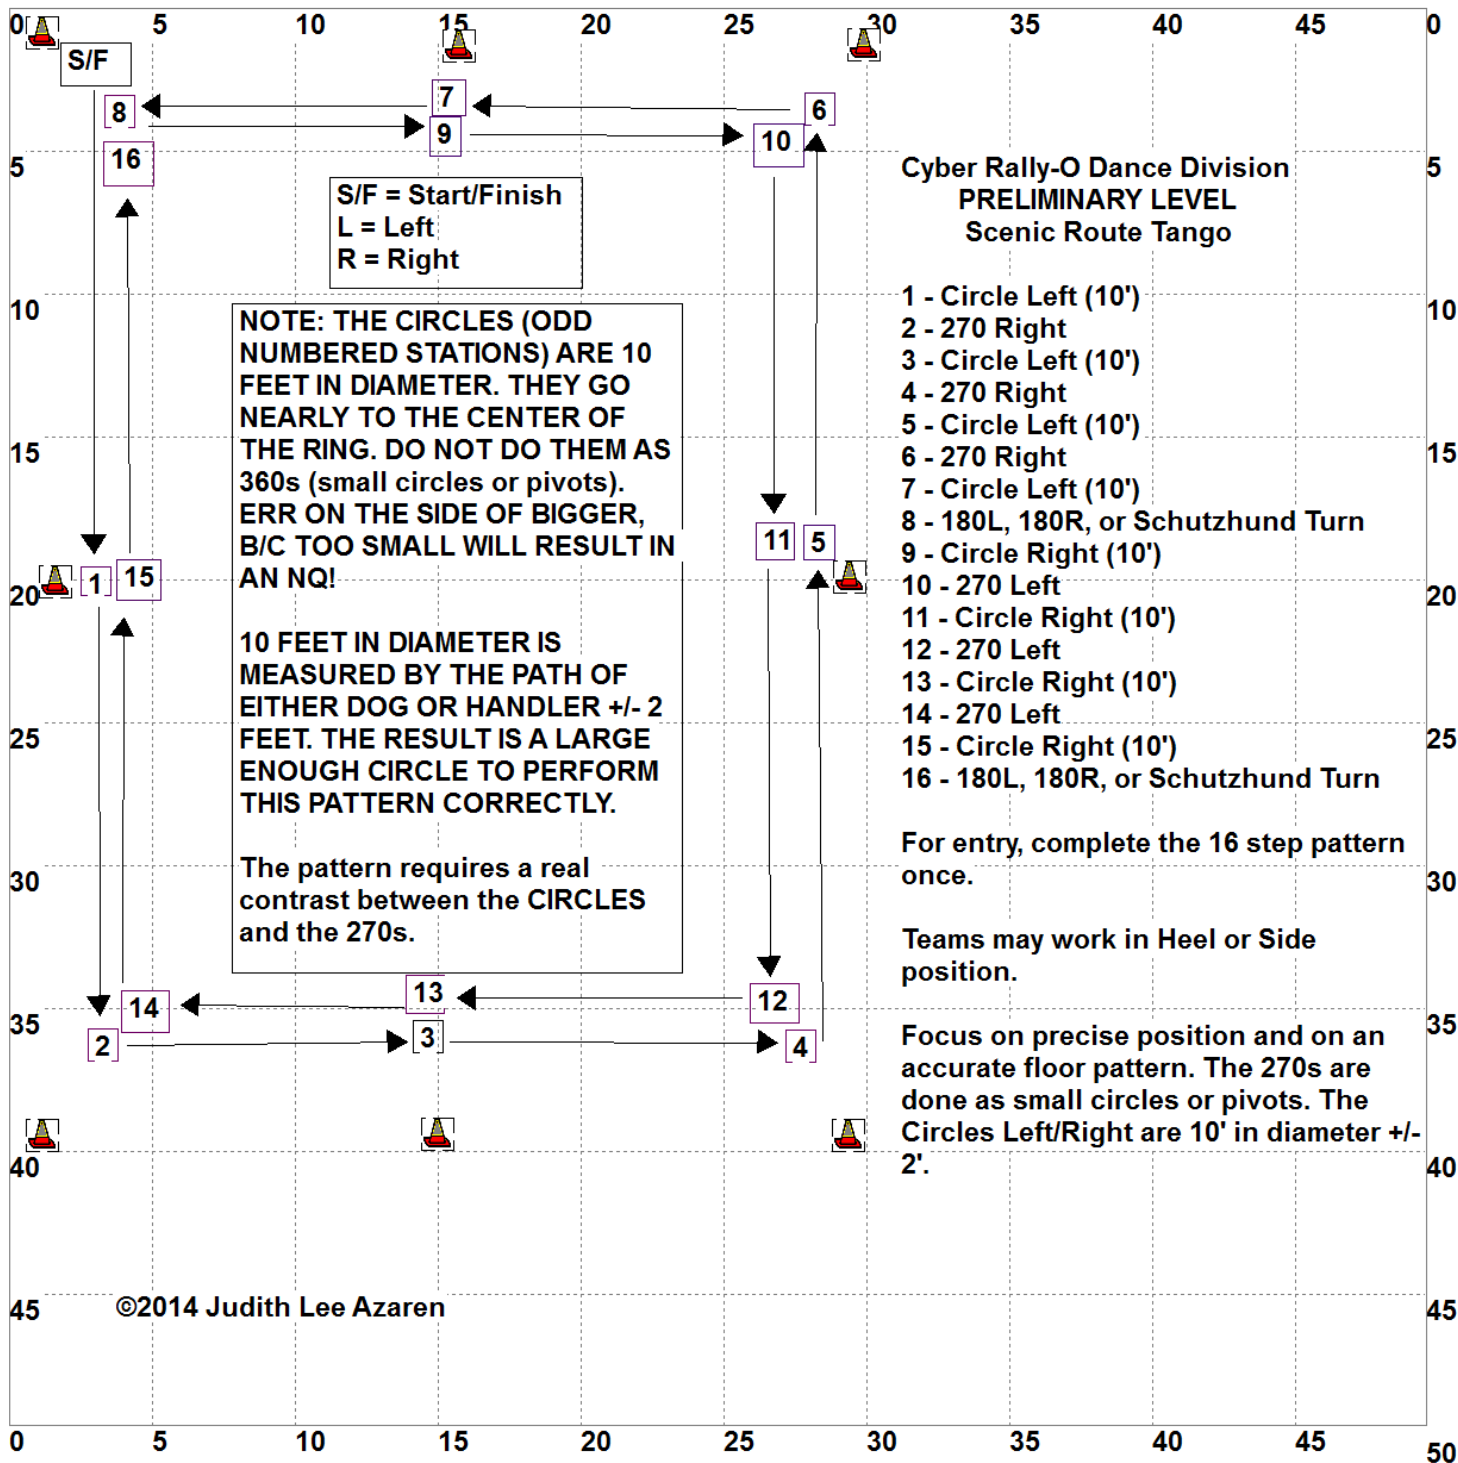

Each completed figure 8 is one round.

For entry, complete two rounds.

Teams may work in Heel or Side position.

Focus on precise position and on an accurate floor pattern.

NOTE: This pattern has no places that are "between stations". If you want to reinforce with food on this pattern, you may do so anywhere on the circles EXCEPT near the area where you transition from one circle to the other (along the 20 foot line). Wait until you are clearly doing one circle or the other to reinforce your dog. **REINFORCING ALONG THE TRANSITION AREA WILL RESULT IN AN NQ.**
