

Level 4 - Course 1T  
Cyber Rally-O

## Cyber Rally-O Level IV – Course 1T

In the list below, the sign number is next to each sign so you can find it easily if you keep your signs in numerical order.

This ring size is just a sample. Yours may be larger or smaller. The choice is yours. This course can fit in a narrow area.

When stations are “coupled” or combined, the end of the first sign is the beginning of the second sign. There are no coupled signs on this course. **However, Station 7 starts where Station 6 ends, and 8 starts at the end of 7. Also note that when you finish Station 1, you will be facing Station 2 and ready to move towards it.**

Any questions or problems, just ask. If anything on this course is inaccurate, please let me know.

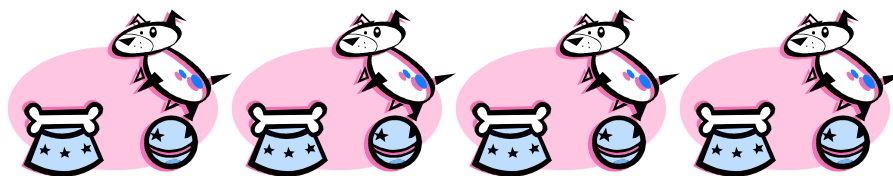

Thanks! Have fun!  
Jude
