Level II – Course 1T

In the list below, the sign number is next to each sign so you can find it easily if you keep your signs in numerical order.

This ring size is just a sample. Yours may be larger or smaller. The choice is yours.

When stations are “coupled” or combined, the end of the first sign is the beginning of the second sign. On this course, stations 15, 16, and 17 are coupled (tripled??). They are all done in the same spot. **When setting the course, the coupled signs are set side by side.**

Any questions or problems, just ask. If anything on this course is inaccurate, please let us know.

Thanks! Have fun!

In the list below, the sign number is next to each sign so you can find it easily if you keep your signs in numerical order.

This ring size is just a sample. Yours may be larger or smaller. The choice is yours.

When stations are “coupled”, the end of the first sign is the beginning of the second sign. **On this course Stations 2-3-4, 8-9, and 15-16 are coupled.**

Any questions or problems, just ask. If anything on this course is inaccurate, please let me know.

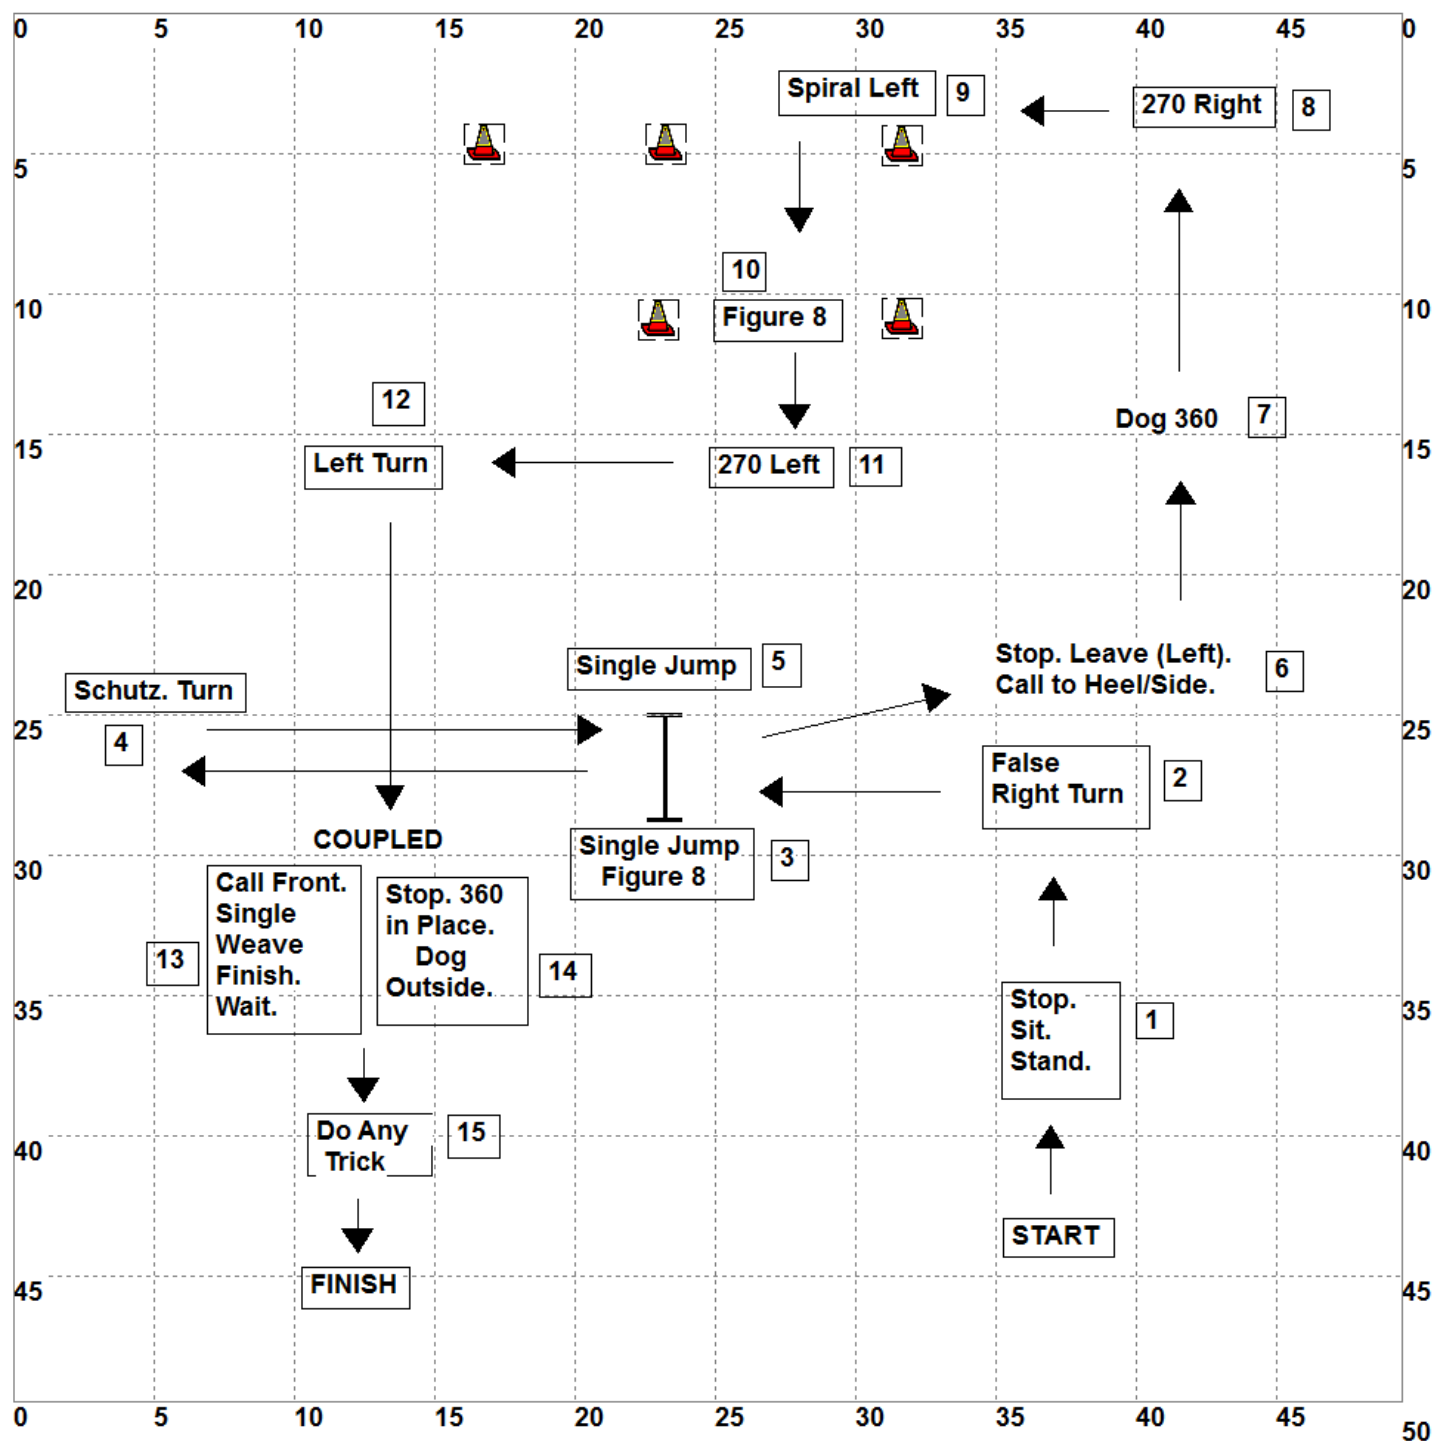

Thanks! Have fun!
